Re: Sachs Quarry
FU-W-144

Attn: James F. Fisher
Area Manager

JF

Dear Mr. Fisher,

The Sachs Quarry has not been in production for some time. It is the Counties desire to reactivate that site for production of crushed materials for County Road purposes.

Could you please furnish me copies of the Free Use Permit along with any other necessary forms to complete and return to you for processing.

I have enclosed copies of the SEPA and DNR reports for your information along with maps showing our intent.

Respectfully

Roger W. Toler, Office Engr.
